PROFESSIONAL SUMMARY

Experienced Frontend Engineer with over 4 years of expertise in building and optimizing dynamic web applications. Proven track record in improving web performance, and infrastructure, and leading cross-functional teams. Skilled in Angular, JavaScript, TypeScript, and modern web technologies. Passionate about frontend architecture, performance optimization, and mentoring engineers.

WORK EXPERIENCE

Angular Developer | 5centsCDN Inc, Edmonton, CA | October 2022 – Present

- Lead front-end architecture discussions and decisions aimed at improving web performance and scalability.
- Spearheaded performance improvements, optimizing page load times through code splitting, caching, and service worker implementation.
- Mentored junior engineers on best practices, code efficiency, and performance optimization.
- Reduced application load time by 30% through JavaScript and CSS optimizations.
- Technologies: Angular, RxJS, NgRx, Service Workers, Firebase, Git, Figma.

Angular Developer | GC Consulting, Delhi, IN | December 2021 – September 2022

- Drove infrastructure improvements and enhanced application responsiveness by integrating advanced caching techniques.
- Collaborated with backend teams to design RESTful APIs that improved data fetching efficiency by 20%.
- Technologies: Angular 7/8, NgRx, TypeScript, Git, Figma.

Frontend Developer | Oladmuni, Lagos, NG | January 2019 – December 2020

- Focused on optimizing frontend performance and improving website load speeds, increasing overall conversion rates by 30%.
- Technologies: HTML5, CSS, JavaScript, Git, Ajax.

SKILLS

- Frontend Performance: Code splitting, lazy loading, service workers, data caching, and prefetching.
- Web Performance Tools: Lighthouse, Webpack, Chrome DevTools.
- Frontend Architecture: Scalable architecture, Microfrontends, Component-based architecture.
- Leadership: Team lead, Mentorship, Cross-functional collaboration.

EDUCATION

Bachelor of Science in Software Engineering

Miva Open University, Abuja, NG | September 2023 - September 2027
